# TERMS

Net 30 days from date of invoice.

Minimum order is \$100.00 List

Minimum order for discount is \$250.00 List

Any cash discount agreed to by Seller shall apply only to the base sales price of the merchandise and not to charges for taxes, crating, storage, loading or transportation. UNAUTHORIZED DEDUCTIONS ARE NOT PERMITTED

To facilitate ordering, furnish PART NUMBER with DESCRIPTION, MODEL and SERIAL NUMBER of unit. Specify type of gas (Natural, Propane, Butane, etc.) and/or electrical characteristics (Voltage and Phase).

## **FREIGHT**

F.O.B. Plant, Hayward, California 94545.

Unless specified, we will endeavor to ship the least expensive way. If the weight or size of order prohibits shipping by standard method, the customer will be notified of an alternate shipping means. All transportation charges will be added to invoice.

A \$10.00 handling fee per box will be added for express shipments, and COD. An \$8.00 handling fee is added to regular ground orders. Please note UPS will not deliver to a P.O. Box, a physical address must be supplied

## **FREIGHT DAMAGE**

Please note that your order was carefully inspected and packed by skilled personnel before leaving the factory. The transportation company assumed full responsibility for safe delivery upon acceptance of this shipment.

In cases of freight damage, call this to the attention of carrier and make note of damages delivery receipt, and signed by person making delivery, before accepting shipment. File claim for damages with the freight company immediately. In cases of concealed damage, save all packaging, immediately notify carrier of your findings and intention to file claim. All orders for replacement parts due to freight damage will be invoiced under our regular terms. Any reimbursement or credit must come from the freight company.

## **RETURNS**

Merchandise may be returned within 30 days of invoice date only with the prior approval of Seller. Returned items must have Seller's invoice number and a returned goods authorization number clearly indicted on outside of package. (Freight prepaid to the factory.) All returns will be charged a twenty percent (20%) restocking fee expense plus any reconditioning expense. All returns are subject to thorough inspection. In order to receive credit, the returned item must be complete, unused, and in resalable condition unless the product is determined to be defective.

IMPORTANT: Special merchandise built to Buyer's specifications may not be returned.

## **WARRANTY**

All replacement parts are guaranteed to be free of defects of material or workmanship for 90 days. Parts found defective within this period may be exchanged at the factory without charge. Thermostats must be returned with capillary tubes intact for warranty coverage to apply, otherwise, warranty is void. The Montague Company will not be responsible for labor charges, transportation charges, or product damage incidental to replacements. Glass breakage is not covered under terms of this warranty.

This warranty applies to all parts installed in accordance with the manufacturer's directions.

All warranty claims must be accompanied by: 1) Name and address of owner. 2) Description, model number and serial number of Montague product. 3) Installation date. 4) Complete description of defect and copy of invoice part replacement. Claims without this information will not be honored. The Montague Company shall have sole discretion as to cause and nature of defect and disposition of same.
