

## MONTAGUE ANNOUNCES NEW REPRESENTATION

HAYWARD, CA - The Montague Company, a leading producer of world-class cooking equipment has appointed William Dolan and Michael Poulos of **monobloc** as the company's new manufacturer representatives covering New York, Northern New Jersey, Western Pennsylvania, Washington DC, Maryland, Virginia, Southeast West Virginia, and Delaware (Sussex County). The announcement was made by Montague Vice President of Sales and Marketing, Gary Rupp .

With over 60 years of combined industry experience, Dolan and Poulos bring a wealth of knowledge to this new venture. Both men have extensive experience in the design and installation of kitchens that provide chefs with equipment that's efficient, reliable and performs to their demanding expectations.

Bill Dolan has overseen projects ranging from historic White House and Greenbrier Resort installations to cutting edge kitchens for some of the country's top chefs. An experienced trainer, Dolan initiated and built the industry's premier test and training kitchen, and spearheaded the use of interactive product cutaways to facilitate product comparison and showcase brand benefits.

Michael Poulos brings with him a diverse background in the front- and back-of-the-house operations, and has worked with Michelin-starred chefs across America. He is proficient in cooking execution and processes that are crucial to solving chefs' exacting needs and requirements of kitchen space.

"We are confident that Bill and Michael will add a great dimension to the Montague team" stated Gary Rupp. "They will help us increase our presence in the DC and Metro New York areas and help drive sales to a diverse group of chefs and operators."

The Montague Company is a leading producer of high-quality, heavy-duty cooking equipment in the foodservice industry. For more information, please contact The Montague Company at 800-345-1830 or [www.montaguecompany.com](http://www.montaguecompany.com).
